Contract Number: BA-2011-RE-107-AC

Contract Title: Bear Mountain Bridge Replacement Streetlight Poles

Description:

The New York State Bridge Authority is soliciting proposals for twenty-two (22) aluminum replacement streetlight poles. Poles shall be round tapered aluminum with single member tapered elliptical arms, intended for street lighting. Poles shall come complete with an eight foot (8') arm, thirty foot (30') mounting height and shall comply with NYS DOT Standard Specification 723-01.

Proposal price must include shipping to Bear Mountain Bridge, Fort Montgomery, New York.

To request the complete proposal package, please contact Teresa Ceragioli by FAX at 845-691-7914 or via email at tceragioli@nysba.net.

Proposals are due no later than 4:00 PM, Wednesday, May 11th, 2011 at the New York State Bridge Authority's Headquarters Office, PO Box 1010, 475 Route 44-55, Highland, New York, 12528.
