**Category:** Engineering Services

**Contract Number:** BA-2011-RE-103-ES

**Contract Title:** Walkway Over the Hudson As-Built Design Review

**Description:**

The New York State Bridge Authority is soliciting proposals from qualified engineering firms for review of the design and analysis work done regarding the conversion of the old Poughkeepsie Railroad Bridge into the new Walkway Over the Hudson (WOTH).

It is expected that each proposer shall, in their proposal, clearly establish those qualifications necessary to fulfill the tasks identified. Documentation of personnel with experience directly applicable to the Authority's needs will be highly valued. Successful proposer will demonstrate history of similar performance for operators with bridges of the type and size of the Authority's facilities, as well as expertise in design and familiarity with the standards of transportation bridge design, the AASHTO code, environmental protection, civil and structural engineering as well as with the WOTH facility itself.

**To request the proposal package, please contact Teresa Ceragioli via email at [tceragioli@nysba.net](mailto:tceragioli@nysba.net) or by fax at 845-691-7914.**

**Proposals shall be due to the Office of the Chief Engineer of the New York State Bridge Authority no later than 4:00 PM, Tuesday, February 1st, 2011** and addressed to William J. Moreau, Chief Engineer (Mailing address: PO Box 1010, Highland, NY 12528); (Fed Ex: Mid-Hudson Bridge Plaza, 475 Route 44-55, Highland, NY, 12528)
